The heav-ens tell the sto-ry—— of our Cre - a - tor's glo - ry. - Cre-

a - tion speaks with - in us—— a mess - age from the Spi - rit. His

voice rings in the - thun - der,—— and light - ning tells His splen - dour. Im -

print - ed in our - be - ings—— are ears to hear their - speak - ing.

Day af - ter day—— the sun—— burns bright—— with—— His power;—— and

night af - ter night—— a know - ledge di - vine—— fills—— the hours.——
